Do It Yourselfers Can Make Anything Out Of P.V.C. Pipe

I Do

I make beautiful indoor/outdoor P.V.C. pipe furniture. Such as chairs, lounges, tables, swings and all kinds of baby furniture out of P.V.C. pipe; even birdhouses and feeders. P.V.C. pipe furniture is the hottest selling furniture on the market today, because it is unique and beautiful and will not rot or rust and it will virtually last a lifetime.

Greenhouses, gym sets, toys. Just look around you and you will see hundreds of things you can make out of P.V.C. pipe.

Will You Get Rich?

No, you will not get rich, but you can make over $1000 a month in your spare time and have a ball doing it.

I tried all those "Get Rich" gimmicks that are advertised, that never tell you anything until you've sent them your $25, and then you find out their gimmicks were not for you. Well, I've tried them all and I'm still not rich.

All I ever wanted was something I could do in my spare time with my hands, make a little money and enjoy myself.

Profit Unbelievable!

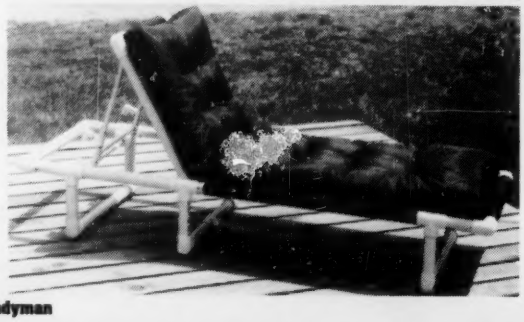
The fantastic part of this business is the profit.

A chaise lounge that costs $62.25 in material and three hours of work is selling for over $228 in the stores.

Just go look at some of this furniture in the stores and see some of the unbelievable prices it is selling for.

Where Can You Buy The P.V.C. Pipe?

You can buy the P.V.C. pipe from any local hardware store to start. Plus I will supply you with the names and addresses of cushion and pipe manufacturers who will sell to you wholesale, plus I will supply you with my shop manual and six detailed shop drawings with pictures and measurements of six different designs.



Do you need my Shop Drawings?

No, you don't need my shop drawings unless you want to save hundreds of hours of trial and error work.

How do you start?

1) Decide if you like to work with your hands to create things *and want to make money.*

2) Can you afford $12.00 for my shop manual and six drawings.

3) Send me your name and address along with your check for $12.00 to:

Philip E. Brancato Sr.
P. O. Box 237H9
